AN ORDINANCE authorizing the City of Fort Wayne, Indiana, to make temporary loans to meet current running expenses for the use of the General Fund, the Fire Fund, the Parks and Recreation Fund, the Fire Pension Fund, and the Debt Service Fund of the Issuer, in anticipation of and not in excess of current taxes levied in the year 1992, and collectable in the year 1993; authorizing the issuance of temporary loan tax anticipation time warrants to evidence such loans and the sale of such warrants the Indiana Bond Bank; and appropriating and pledging the taxes to be received in such funds to the punctual payment of such warrants including the interest thereon.

WHEREAS, the City Controller (the "City Controller") of the City of Fort Wayne, Indiana (the "Issuer"), has represented and the Common Council of the Issuer (the "Common Council") now finds that there will be insufficient amounts of moneys in the General Fund, the Fire Fund, the Parks and Recreation Fund, the Fire Pension Fund and the Debt Service Fund of the Issuer (collectively, the "Funds") to meet the current running expenses of the Issuer payable from each of such funds during the fiscal year ending December 31, 1993, and prior to the respective June and December settlement and distribution of taxes levied for each such Fund; and

WHEREAS, the Common Council now finds that temporary loans for the Funds for such purposes should be made and that temporary loan tax anticipation time warrants evidencing such loans should be issued and sold, subject to the terms and conditions set forth herein and in accordance with the provisions of Indiana law; and

WHEREAS, the Common Council hereby determines to participate in the 1993 Composite Advance Funding Program (the "Program") established by the Indiana Bond Bank (the "Bond Bank") whereby the Bond Bank will purchase the temporary loan tax anticipation time warrants of the Issuer; and

WHEREAS, in order to participate in the Program the Common Council will be required to issued and sell its temporary loan tax anticipation time warrants to the Bond Bank prior to the final certification of the annual budget levies and tax rates for the Funds for fiscal year 1993 by the Indiana State Board of Tax Commissioners; and

WHEREAS, the levy proposed for collection for each of the Funds in the year 1993 is estimated to produce in the aggregate, with respect to each such fund, an amount equal to or in excess of the principal and interest cost of making temporary loans for such Fund; and

WHEREAS, a necessity exists for the making of temporary loans evidenced by temporary loan tax anticipation time warrants for each of the Funds in anticipation of the receipt of current revenues for each such Fund levied and in the course of collection for the year 1993 and the Common Council hereby authorizes the making of temporary loans to procure the amounts necessary, in combination with other available amounts, to meet such current running expenses for each Fund and to pay necessary costs incurred in connection with the issuance and sale of temporary loan tax anticipation time warrants to evidence such temporary loans; and

WHEREAS, the Issuer has not previously issued temporary loan tax anticipation time warrants payable from 1993 tax revenues with respect to any of the Funds; and

WHEREAS, the Common Council seeks to authorize the issuance of such temporary loan tax anticipation time warrants with respect to each Fund and the sale of such warrants to the Bond Bank pursuant to the provisions of Indiana Code 5-1.5, subject to and dependent upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. It is hereby found and declared that an emergency exists for the borrowing of money and therefore the Issuer is hereby authorized to make temporary loans to meet current running expenses pursuant to the provisions of Indiana Code 36-4-6 for the use and benefit of each of the Funds of the Issuer in anticipation of estimated current tax revenues actually levied for the year 1992 and in the course of collection for the respective Funds for the year 1993, which loans shall be evidenced by temporary loan tax anticipation time warrants of the Issuer (the "Warrants"). A separate Warrant or Warrants shall be issued with respect to each Fund for each maturity date and all Warrants shall be dated as of the date of delivery thereof to the Bond Bank. The Issuer is authorized to issue Warrants maturing and payable on June 30, 1993, and December 31, 1993, in amounts not to exceed the following:

<u>Fund</u>	<u>Principal Amount Maturing 6/30/93 Not to Exceed:</u>	<u>Principal Amount Maturing 12/31/93 Not to Exceed:</u>
General Fund	\$10,087,357	\$10,087,357
Fire Fund	\$ 4,104,593	\$ 4,104,593
Parks and Recreation Fund	\$ 1,976,118	\$ 1,976,188
Fire Pension Fund	\$ 637,232	\$ 637,232
Debt Service Fund	\$ 1,828,112	\$ 1,828,112

The Warrants shall bear interest prior to maturity at a rate or rates per annum not to exceed a maximum of six and one-half percent (6.50%). The exact rate or rates of interest are to be determined under the terms of a warrant purchase agreement between the Bond Bank and the Issuer to be entered into prior to the sale of the Warrants to the Bond Bank (the "Warrant Purchase Agreement"), in accordance with the provisions of Indiana Code 5-1.5. Interest shall be calculated on the basis of a 360-day year comprised of twelve 30-day months.

The Issuer is authorized to make payments of principal and interest on the Warrants by paying the amount due from funds that are available for immediate transfer or investment on or before 12:00 noon (Indianapolis time) on the due date to INB National Bank, Indianapolis, Indiana, the Bond Bank's Trustee under the Note Indenture dates of January 1, 1993 (the "Trustee"). The Warrants may not be prepaid prior to the due date. In the event that the principal of and interest on the Warrants are not paid in full on the due date, the total amount due and owing on such due date (the unpaid principal and accrued interest thereon to such due date) shall thereafter bear interest at the per annum rate equal to the "Reinvestment Rate" (as defined in the Warrant Purchase Agreement) until paid. In addition, the Issuer shall be responsible for payment to the Bond Bank of its allocable portion of all fees and expenses attributable to a request for payment under the Credit Facility Agreement (as defined in the Warrant Purchase Agreement) resulting from a failure by the Issuer to pay in full the principal of and interest on the Warrants on the due date.

SECTION 2. With respect to each Fund and each maturity date, the officers of the Issuer are authorized to deliver a principal amount of Warrants up to or less than the maximum amount established for any such Fund or maturity date in Section 1 hereof in order to comply with all applicable laws and any requirements of the Bond Bank. All Warrants will be delivered on or about January 20, 1993, or otherwise as appropriate and in accordance with the terms of the Warrant Purchase Agreement. In the event that the Issuer anticipates incurring cash flow deficits prior to the issuance and sale of the Warrants to the Bond Bank, the Issuer is hereby authorized to issue and sell temporary interim warrants to the Bond Bank on substantially the same terms as the issuance and sale of the Warrants to the Bond Bank, and in such event, all or a portion of the proceeds of the Warrants may be used to repay the temporary interim warrants.

SECTION 3. There is hereby appropriated and pledged to the payment of all Warrants issued with respect to each Fund, including interest and all necessary costs incurred in connection with the issuance and sale of the Warrants, a sufficient amount of the tax revenues, levied in 1992, and payable in 1993, for such Fund and in anticipation of which the Warrants have been issued, for the punctual payment of the principal of and interest on the Warrants evidencing such temporary loans, together with such issuance costs, if any.

SECTION 4. The Warrants issued hereunder with respect to the Funds shall be executed in the name of the Issuer by the manual or facsimile signature of the Mayor of the city of Fort Wayne, Indiana (the "Mayor"), countersigned by the manual or facsimile signature of the City Controller, and the corporate seal of the Issuer affixed thereto, and attested by the manual or facsimile signature of the Clerk of the City of Fort Wayne, Indiana (the "Clerk"), or such other officers of the Issuer as may be permitted by law, provided, however, that at least one such signature on the Warrants shall be manual. All Warrants shall be payable in lawful money of the United States of America at the principal corporate trust office of the Trustee. Further, the Warrants shall not be delivered and no payment shall be made therefor prior to January 1, 1993.

SECTION 5. The Warrants with respect to each Fund shall be issued in substantially the following form (all blanks, including the appropriate amounts, dates, and other information to be properly completed prior to the execution and delivery thereof):
